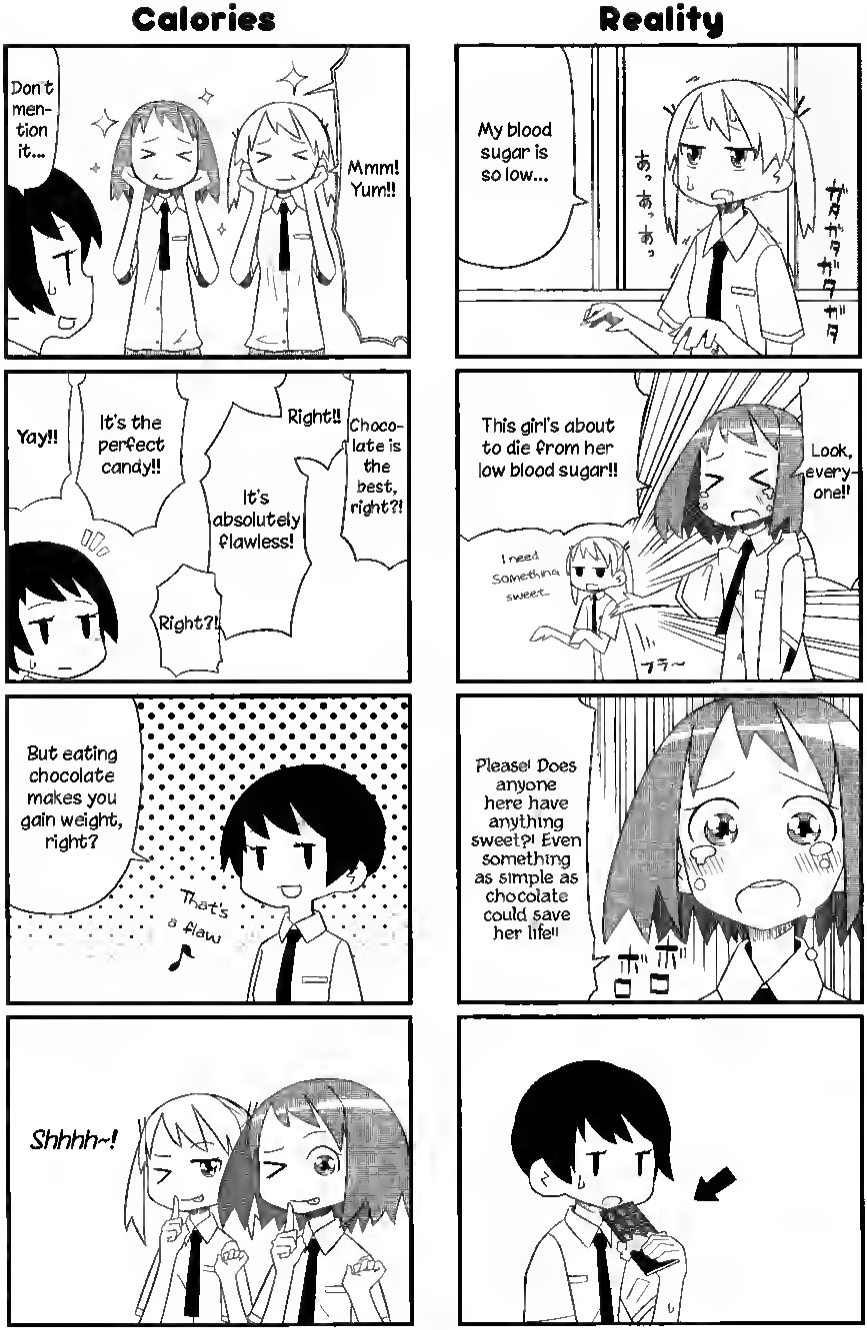
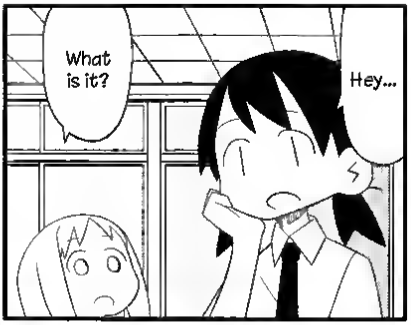
Not Really

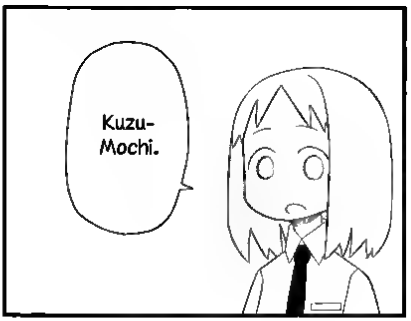
What's with that pose...?
Good morning!
It's cute, right?
Mornin'.



Calories
Reality
Don't mention it...
Mmm! Yum!!
My blood sugar is so low...
あっ あっ あっ
ガタガタ ガタガタ
Yay!!
It's the perfect candy!!
Right!!
Chocolate is the best, right?!
It's absolutely flawless!
Right?!
This girl's about to die from her low blood sugar!!
Look, everyone!!
I need something sweet...
フラ～
But eating chocolate makes you gain weight, right?
That's a flaw
Please! Does anyone here have anything sweet?! Even something as simple as chocolate could save her life!!
ボロ ボロ
Shhhh~!

Nickname





Kuzumochi *(noun)*

1. A pastry made from kudzu starch or wheat flour kneaded in boiling water. Served with kinako or molasses.
2. Another name for **Kuzumanju**

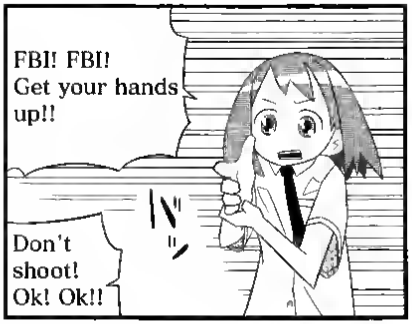
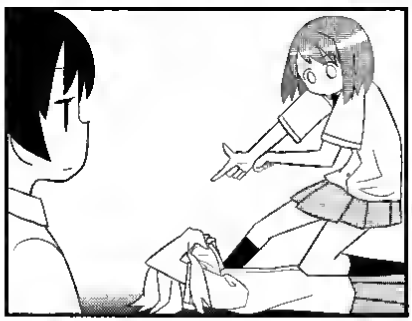
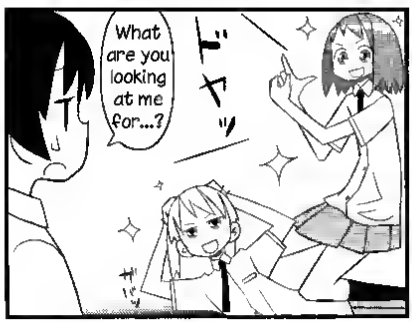
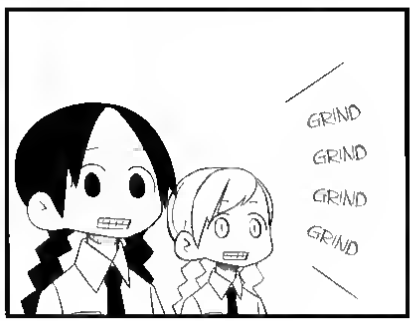
Make-Believe







A Cool Power



Only One Way to Improve

Pull Back

Have I ever told you about how I like to eat ants?
Uh, what? Sorry, I don't really get it...
Every once in a while I'll see one that looks super tasty, you know?!
You eat them?
W-what?
And when I eat one, I start to feel something...
I feel like I'm finally independ-ANT!
Ta-daa!
